SCOPE OF WORKS

Signature Events Tier Two: a sporting, art, cultural or other type of event that attracts domestic and some cases international participants and visitors. These events tend to be either unique to the destination or reflect the culture, traditions, and values of the destination. It has been proven that events can be used to effectively draw visitors to the Eastern Cape that may not have considered it as a destination of choice. This is because events are experiential in nature and are able to give tourists an additional reason to visit a destination over and above its traditional tourism product offerings. Whilst media coverage is generally strong domestically, international coverage is driven by niche interests.

Event proposals will be assessed against the following deliverables so please ensure that the event proposal outlines the following deliverables and benefits for the Eastern Cape Province:

Economic and Tourism Impact

- **Visitor potential:** The extent to which the event will attract local, national, and international visitation. These are the number of anticipated participants, spectators, audience members and others who will travel to the host location specifically for the event. The event must bring a minimum of **5000** visitors.
- **Economic value:** The event should provide significant economic value to the host destination. The economic value to the host destination is calculated as such: standard daily expenditure of R1350 x the number of visitors.
- **Development opportunities for SMME's:** The event must provide significant opportunities for SMME's through the usage and support of SMME accommodation, service providers, tour operators etc. The event must include the participation of at least **10** local historically disadvantaged individuals.
- **Job Creation:** Number of jobs created through the event and procurement schedule. A minimum of **100** jobs are to be created through the event both temporary and permanent. The event organiser must provide a register on a company letterhead with a list of all employees.
- **Community involvement:** Demonstrates community involvement with the events such as unique concepts using teams/players/participants and/or participating in the event preparations and hosting. A minimum of 2 local youth to be included during the preparation and the hosting of the event. This will assist with the transformation and youth development
- **Environmental Sustainability:** The ECPTA would like to encourage event organisers to consider incorporating and implementing "green" practices into the event such as recycling efforts, minimising waste production, buying local, energy efficiency practices etc. The event

must have at least one greening initiative.

Marketing and Media Impact

- **Marketing Plan:** The event proposal must be submitted with an elaborate Marketing Plan including the following:
 - Radio: at least 1 interview and mention
 - Print: 2 local newspapers
 - Social Media: Mentions on Facebook, Instagram, Twitter
 - Website: ECPTA mentioned as a sponsor on the event website and include a link leading to the ECPTA website.
 - 1 TV Exposure Opportunity
- **Brand alignment:** The event must keep with the brand image of the Eastern Cape and how it will support and enhance our uniquely Eastern Cape destination and ECPTA brand.
- **Marketing alignment:** How promotional strategies and messaging for the event support the marketing objectives of the ECPTA
- **Media impact potential:** The potential for the event to raise the profile of the Eastern Cape through domestic and if possible international media coverage. The event must report on a media value that is at least double the initial investment contributed by the ECPTA.
- **Media hosting support:** The willingness of the event to host and/or provide in-kind support to international or domestic media familiarisation tours. The event must support the ECPTA in hosting at least 1 media tour.
- **Media relations:** The ability to provide the Eastern Cape with regular news updates, access to key spokespeople, story ideas and rights-free (global) imagery for promotional and editorial use.
- **Supporting promotional assets:** The willingness/ability of the event to share emotive copy and high-resolution, experiential imagery (still and moving) showcasing the event and destination.

Development and Sustainability

- **Lead time:** The event must give the ECPTA sufficient time to leverage the opportunity internationally or domestically. A lead time of a minimum of 3 months is required.
 - **Management expertise:** The strength of the management and marketing skills of the event organisers. A minimum of 3 years management experience. Please supply names and contacts of **three** client referees who can comment on your company/agency ability and competency to undertake this event.
- **Growth potential:** How the event demonstrates a commitment to growth and ongoing financial viability.
