TERMS OF REFERENCE

1. Background

ECPTA is a statutory body mandated to conserve biodiversity and promote tourism in the Eastern Cape Province, South Africa to drive socio-economic growth while safeguarding natural heritage. The agency manages 16 provincial nature reserves in ensuring the preservation of unique ecosystems, endemic species, and cultural heritage sites. These reserves range from coastal and marine habitats to inland mountain and grassland ecosystems. Destination Marketing, developing tourism infrastructure, supporting local communities, and creating sustainable tourism opportunities are critical functions of the Entity. Through strategic partnerships, responsible resource management, and community engagement, plays a pivotal role in positioning the Eastern Cape as a premier sustainable tourism destination.

ECPTA views partnerships not just as support mechanisms but as strategic alliances that can unlock shared value, drive innovation, and deliver long-term benefits for nature, communities, and the economy. Based on the in-kind contribution, the partnership opportunity is open to stakeholders who are passionate about making a sustainable impact in the ECPTA Managed Nature Reserves. ECPTA and partners will work collaboratively to identify areas of mutual benefit, contribute in-kind resources, and support initiatives that align with ECPTA's vision and strategic objectives.

2. Partnership model

The partnership opportunity is open to stakeholders who are passionate about making a sustainable impact in the ECPTA managed Nature Reserves through collaboration in advancing conservation and tourism initiatives.

Partners will work collaboratively with ECPTA to identify areas of mutual benefit, contribute in-kind resources, and support initiatives that align with ECPTA's vision and strategic objectives.

- **Type of Partnership:** Mutual value and in-kind contributions.
- **Eligible Entities:** Private companies, NGOs, and any other relevant organisation.
- **Focus Areas:** Nature Conservation, tourism development, community engagement, environmental education, capacity building, infrastructure maintenance and other related areas.

The key focus areas are in Conservation and Tourism which mainly focus on the following deliverable:

2.1. Focus Areas: Conservation

Among other functions, partners are expected to support conservation activities in a nature reserve to achieve conservation goals while minimizing environmental impacts.

Habitat and Ecosystem Maintenance: Organisations that have secured resources for rehabilitation but need an area to implement their respective projects to maintain the ecological integrity, diversity, and sustainability of ecosystems. Manage ecological processes will include management of fire regimes, grazing to maintain ecological balance, prevent bush encroachment, act to balance wildlife and stocking rates to prevent overgrazing and soil degradation.

Climate Change Adaptation: Organisations that have secured or intending to secure resources to enhance ecosystem resilience to climate change impacts.

Biodiversity Finance: Organisations that have secured or intending to secure resources to promote carbon sequestration through vegetation and soil management. Also, organizations that can impart knowledge, package and profile projects for nature performance bonds and carbon credits.

Wildlife Population Management: Organisations that have secured or intending to secure resources to monitor and regulate wildlife populations through the use of Artificial Intelligence, drone and other applicable technologies to ensure safety and security of wildlife.

Sustainable Resource Use and Regulation: Organisations that have secured or intending to secure resources to train conservation officials and communities in resource mobilisation for conservation, natural resource management and environmental education.

Ecological research and monitoring: Research institutions or organizations that have secured or intending to secure resources to facilitate ecological research and monitoring of habitat and ecosystem maintenance through ecological studies. The core activities could potentially be aligned to establish large-scale, long-term monitoring programs to realize research outputs not limited to the impacts of climate change and human activity. This can be achieved by applying diverse research methods and implement advanced technology such as remote sensing, acoustic recorders, environmental DNA sequencing, and automated sensors to gather data on species presence, abundance, distribution, and behaviours across large areas.

2.2. Focus Areas: Tourism Management

Among other functions, partners are expected to support tourism activities to achieve sustainable economic development goals while minimizing environmental impacts.

Sustainable Tourism Development: Organisations that have secured or intending to secure resources to support tourism activities, promote eco-friendly and support to initiate low-impact tourism. Support biodiversity protection and encourage sustainable infrastructure (e.g., eco-lodges, solar energy, waste recycling).

Community Participation and Benefits: Organisations that have secured or intending to secure resources to provide support towards business development opportunities for local communities (e.g., guiding, crafts, catering) and other tourism ventures.

Monitoring and Impact Assessment: Organisations that have secured or intending to secure resources to monitor visitor trends and tourism impacts by means of using data to adjust tourism practices (adaptive management).

Marketing and Promotion: Organisations that have secured or intending to secure resources to brand and promote the nature reserve as a sustainable tourism destination.

Validation: All partnerships will be formalised through a structured agreement to ensure alignment, accountability, and shared outcomes.

3. Contract Duration

Partnership agreements will be formalised with the selected partner for a period of five (5) years with an option to extend for a further five (5) years, aligned with the ECPTA strategic plan.

4. Strategic imperatives of the partnerships

To achieve these specific services, strategic partnerships with private entities and non-governmental organizations (NGOs) will enhance to fulfil its conservation and tourism mandate across the province. These interventions are expected to be executed inside and outside the reserve. The key strategic commitments for this approach are outlined below:

5. Leverage Complementary Strengths

Private sector and NGO partners bring specialized expertise, resources, and networks that complement ECPTA's public-sector role. These include technical know-how, innovation, operational agility, and direct community experience that can significantly enhance project outcomes.

5.1 Drive Sustainable Impact

Partnerships provide a platform to scale conservation and tourism initiatives in a way that is sustainable, inclusive, and results driven. By working together, stakeholders can share responsibility for biodiversity protection and the advancement of sustainable tourism across the Eastern Cape.

5.2 Promote Resource Sharing

Partnerships will enable ECPTA to capitalize on in-kind contributions such as skills, equipment, facilities, and volunteer support. This approach reduces financial burden while enhancing project delivery.

5.3 Foster Innovation and Best Practices

NGOs and private entities often lead in pioneering innovative approaches to environmental sustainability and tourism. ECPTA seeks to incorporate these practices to boost efficiency, responsiveness, and overall impact.

5.4 Align with ECPTA's Strategic Vision

The agency's current five-year strategic plan identifies collaborative governance and multi-stakeholder partnerships as key success factors. Engaging a broad spectrum of partners supports coordinated, cross-sectoral action for sustainable development and biodiversity conservation.

6 Mutual benefits

Inviting private entities and NGOs to collaborate by providing in-kind resources (e.g., expertise, equipment, manpower, technology, or facilities) can create several mutual benefits for both the conservation/tourism initiatives and the partners themselves.

6.1 Benefits to Conservation and Tourism Initiatives

- **Resource Augmentation:**
 - Access to specialized skills, equipment, or technology that the public entity may not have.
 - Reduces budget constraints by leveraging in-kind contributions.
- **Capacity Building:**
 - Offering training, knowledge transfer, and mentorship from experienced NGOs or private sector professionals to improve staff capability for the tourism sector in the following areas: Tourist Guiding, Water sport activities, Business Management, Event Management, Housekeeping and hospitality management, Packaging and Promotion of tourism facilities and services.
- **Inclusive Tourism Growth:**
 - Facilitate tourism transformation through creating opportunities for local communities, in particular women, youth and people living with disabilities. Key initiatives include rural and township tourism such as community tourism initiatives, homestays, youth entrepreneurship and craft cooperatives.

- **Product Diversification:**
 - Enhance destination competitiveness and market share by offering diverse tourism products and services in the following but not limited to tourism niches below.
 - Agri Tourism, Heritage & Cultural Tourism, Eco Tourism, Avi Tourism, Adventure Tourism, Aroma Tourism and Astro Tourism
- **Market Access:**
 - Collaborative marketing initiatives targeting domestic and international visitors using the following marketing strategies.
 - Digital Marketing platforms, Trade and consumer shows (domestic and international)
- **Foster Universal Accessibility**
 - Ensure equal opportunities for people living with disabilities to travel, explore and enjoy destination Eastern Cape
- **Tourism Safety**
 - Create an enjoyable experience for visitors thus ensuring sustainable tourism development. Programmes to be implemented include
 - Pro Active Tourism Safety Measures such as:
 - Development of tourism safety brochures & fliers
 - Digital safety campaigns
 - Implement Festive & Cruise liner season awareness campaigns
 - Service excellence / SA host training
 - Installation of precautionary and directional signage
- **Reactive Tourism Safety Programmes:**
 - Provision of counselling to tourists who become victims
 - Translators for international visitors
 - Organise lost travel documents
- **Innovation and Efficiency:**
 - Private sector partners to bring innovative solutions or digital tools that improve project efficiency, monitoring, or visitor engagement.

- **Enhanced Outreach and Awareness:**

- NGOs and private companies may have networks or marketing channels that help promote conservation and tourism programs.

6.2 Benefits to partners (Private Entities and NGOs)

- **Corporate Social Responsibility (CSR):**

- Enhances public image by demonstrating commitment to environmental sustainability and community development.

- **Networking and Partnerships:**

- Opportunity to build relationships with government agencies, other NGOs, and stakeholders.

- **Access to Sites or Projects:**

- Companies or NGOs may gain direct access to protected areas, tourism sites, or conservation programs for research, testing, or volunteer initiatives.

- **Employee Engagement and Development:**

- Staff involvement in projects fosters team building, skills development, and job satisfaction.

6.3 Mutual Benefits

- **Shared Goals:**

- Aligning interests in sustainability, tourism promotion, and biodiversity protection ensures win-win outcomes.

- **Cost-Effective Project Delivery:**

- Pooling in-kind resources reduces financial burdens while achieving larger or more impactful initiatives.

- **Enhanced Credibility and Visibility:**

- Joint initiatives signal collaboration and legitimacy, attracting further funding, grants, or community support.

- **Sustainable Impact:**

- Combining expertise, networks, and resources increases the long-term sustainability of conservation and tourism efforts.

7 High-level insight of the reserves

<https://visiteasterncape.co.za/things-to-do/attractions-activities/reserves/>

Reserve	Reserve Category	Strategic Location & Setting	Ecological & Heritage Value	Experience Proposition	Indicative Investment Positioning
Baviaanskloof	Biodiversity & Heritage	UNESCO World Heritage Site, Karoo–Coastal corridor	Seven of SA's nine biomes; global conservation significance	Flagship wilderness & adventure destination	International eco-lodges, adventure tourism
Great Fish River	Biodiversity & Heritage	Frontier landscape near Makhanda	Large intact thicket ecosystem; frontier heritage	Safari, heritage and river-based tourism	Safari lodges, heritage tourism
Groendal	Biodiversity & Heritage	Mountain catchment near Gqeberha	Critical water catchment; San rock-art; fynbos	Hiking and outdoor recreation	Adventure tourism, eco-lodges
Island	Biodiversity & Heritage	Coastal forest near Nelson Mandela Bay	Rare Alexandria coastal forest	Day-visitor nature immersion	Eco-education, recreation
Thomas Baines	Biodiversity & Heritage	Gateway reserve near Makhanda	Albany Thicket & fynbos mosaic	Education and outdoor learning	Education center's, niche accommodation
Waters Meeting	Biodiversity & Heritage	Riverine forest near Bathurst	Estuarine-river convergence ecosystem	Canoeing and forest trails	Eco-cabins, adventure tourism
Commando Drift	Game Management & Recreation	Karoo hinterland near Cradock	Semi-arid conservation landscape	Fishing and wildlife viewing	Fishing lodges, adventure tourism
Double Mouth	Game Management & Recreation	Wild Coast beachfront	Estuarine & marine biodiversity	Coastal camping & conferencing	Eco-lodges, conferencing
Mpofu–Fort Fordyce	Game Management & Recreation	Amathole Mountains escarpment	Indigenous forests; San rock-art	Forest lodges & hiking	High-end eco-lodges
Ongeluksnek	Game Management & Recreation	Drakensberg foothills	Alpine grasslands; vulture conservation	High-altitude adventure	Mountain tourism
Oviston	Game Management & Recreation	Gariep Dam shoreline	Karoo biodiversity & freshwater system	Water sports and fishing	Lakeside lodges
Tsolwana	Game Management & Recreation	Winterberg Mountain slopes	Mountain grasslands; birdlife	Safari-style game viewing	Safari lodges

Dwesa–Cwebe	Marine & Coastal	Wild Coast conservation corridor	Internationally significant coastal ecosystems	Flagship coastal eco-tourism	Destination eco-lodges
Hluleka	Marine & Coastal	Wild Coast cliffs and beaches	High scenic and marine biodiversity value	Premium coastal retreat	Luxury eco-lodges
Luchaba	Marine & Coastal	Adjacent to Mthatha and dam	Wetlands and grasslands	Conferencing & urban nature escape	Business tourism, hospitality
Mkhambathi	Marine & Coastal	Pondoland Centre of Endemism	Global biodiversity hotspot	Wilderness coastal adventure	Eco-lodges, conservation tourism
Silaka	Marine & Coastal	Coastal bay near Port St Johns	Indigenous forest & rare plants	Boutique coastal retreat	Boutique lodges

Detailed Braucher is attached to the bid document as annexure A. Bidders are encouraged to visit the nature reserve prior the closing date.

8 Evaluation criteria & submission requirements

Private Entities, Non- Governmental Organisation and any other relevant partner interested in this opportunity are requested to submit proposals on the collaboration to advance conservation and tourism initiative within the ECPTA managed Nature Reserves. The proposal must cover the following areas:

Bidders must comply with the set of compliance requirements listed below and **MUST** submit evidence to be considered for evaluation. Failure to submit evidence may lead to immediate rejection of the bid.

Requirement	Detail
Legal and Compliance	Cover Letter: Brief motivation and summary of proposed collaboration. • Proof of legal registration (company, NPO, trust, etc.). • Compliance with environmental, labour, and safety legislation. • No environmental offences or pending legal cases.
Technical Capacity	• Demonstrated expertise in conservation management, sustainable tourism, or related fields. • Proven ability to manage biodiversity assets responsibly. • Access to qualified personnel (ecologists, guides, rangers, community facilitators).
Financial Capacity	• Evidence of financial stability (audited financial statements for the last 3 years). • Ability to mobilise resources for project delivery (own funding & grants). • Realistic budget and value-for-money assessment.
Community Engagement	• Track record of working effectively with local communities. • Plans for local skills development and job creation. • Strategies for equitable benefit-sharing.
Environmental Impact	• Proposed activities must align with the reserve's management plan and zoning. • Commitment to a minimal ecological footprint. • Inclusion of environmental monitoring and reporting systems.
Governance and Accountability	• Clear organisational structure and decision-making processes. • Monitoring, evaluation, and reporting framework. • Transparency and anti-corruption safeguards.

9 Considerable critical elements of the Terms of Reference

9.1 Key notes for respondents

- Submission of an EOI constitutes a formal bid and ECPTA retains the right not to proceed with the partnerships.
- The Partner will be offered a 5-year performance-based partnership agreement in the form of Memorandum of Agreement (MoA), with the option to renew for a further period of 5 years, commencing upon appointment (or on the date to be agreed between the partner and the ECPTA). The partnership agreement will be reviewed after five (5) years after the date of commencement, by mutual agreement.

9.2 Governance

ECPTA is adhering to the stakeholder partnership approach outlined in the stakeholder Engagement strategy that was approved by the ECPTA Board of Directors in April 2024, meant to create an enabling environment for various interested parties to collaborate with ECPTA.

9.3 Additional information

- ECPTA makes no guarantees about and takes no responsibility for the accuracy and completeness of this request for EOI and disclaims any liability for any interested party's use of the information.
- This request for EOI is not intended to serve as the basis for an investment decision. Each recipient is expected to make an independent investigation and to obtain the necessary independent advice for submitting an EOI.
- ECPTA may change or replace any information contained in this request for EOI at any time, without giving any prior notice or providing any reason.

GENERAL CONDITIONS OF THE BID

1. Interpretation

The word “Bidder” in these conditions shall mean and include any firm or any company or body incorporated or unincorporated. The word “ECPTA” in these conditions shall mean the Eastern Cape Parks & Tourism Agency.

2. Extent of the bid

ECPTA makes no guarantees about and takes no responsibility for the accuracy and completeness of this request for EOI and disclaims any liability for any interested party’s use of the information.

This request for EOI is not intended to serve as the basis for an investment decision. Each recipient is expected to make an independent investigation and to obtain the necessary independent advice for submitting an EOI.

3. Signing of Documents

Bidders are required to return the complete set of documents duly signed.

4. Period of Validity for Bids and withdrawal of Bid after Closing Date

All bids are to be held valid and binding for 150 days from the closing date of submissions (calculated from, but not including, the due date).

5. Authority to Sign Bid Documents

In the case of a Bid being submitted on behalf of a company, close corporation or partnership, evidence must be submitted to the ECPTA at the time of submission of the Bid that the Bid has been signed by persons properly authorized thereto by resolution of the directors or under the articles of the entity.

6. Closing Date / Submitting of Quotations

Bids must be submitted in sealed envelopes clearly marked **“EXPRESSION OF INTEREST FOR NON-GOVERNMENTAL ORGANIZATIONS (NGO’s) AND ENTITIES TO PARTNER WITH ECPTA IN ADVANCING CONSERVATION AND TOURISM INITIATIVES FOR A PERIOD OF 5 YEARS WITH AN OPTION TO RENEW FOR A FURTHER PERIOD OF 5 YEARS. E/03/25/26”** Proposals must be deposited in the Bid Box, 17-25 Oxford Street (Cnr of Fleet & Oxford Street), East London, by no later than 11:00 am on the 7th April 2026. *Bids which are not submitted in a properly sealed and marked envelope and/or deposited in the relevant bid box on or before the closing date and time will not be considered. Faxed or e-mailed Bids will not be considered.*

7. Bid Enquiries

Enquiries should be directed to the Supply Chain Management Unit. The following official can be contacted: Ms. Unathi Zinganto_at 043 492 0871 during normal office hours viz. 08:00 – 16:00 Mondays to Fridays-email: Unathi.Zinganto@ecpta.co.za

SUBMISSION REQUIREMENTS

EVALUATION CRITERIA AND SUBMISSION REQUIREMENTS

Private Entities, Non- Governmental Organisation and any other relevant partner interested in this opportunity are requested to submit proposals on the collaboration to advance conservation and tourism initiative within the ECPTA managed Nature Reserves. The proposal must cover the following areas:

Bidders must comply with the set of compliance requirements listed below and **MUST** submit evidence to be considered for evaluation. Failure to submit evidence may lead to immediate rejection of the bid.

- Legal and Compliance
- Technical Capacity
- Community Engagement
- Environmental Impact

- Inclusion of environmental monitoring and reporting systems

**ATTACH ENVIRONMENTAL IMPACT
DOCUMENTS**

GOVERNANCE AND ACCOUNTABILITY

- Clear organisational structure and decision-making processes
- Monitoring, evaluation and reporting frameworks
- Transparency and anti-corruption safeguards

**ATTACH GOVERNANCE AND
ACCOUNTABILITY DOCUMENTS**

BIDDER'S DISCLOSURE

1. PURPOSE OF THE FORM

Any person (natural or juristic) may make an offer or offers in terms of this invitation to bid. In line with the principles of transparency, accountability, impartiality, and ethics as enshrined in the Constitution of the Republic of South Africa and further expressed in various pieces of legislation, it is required for the bidder to make this declaration in respect of the details required hereunder.

Where a person/s are listed in the Register for Tender Defaulters and / or the List of Restricted Suppliers, that person will automatically be disqualified from the bid process.

2. Bidder's declaration

- 2.1 Is the bidder, or any of its directors / trustees / shareholders / members / partners or any person having a controlling interest in the enterprise, employed by the state?

YES/NO

- 2.1.1 If so, furnish particulars of the names, individual identity numbers, and, if applicable, state employee numbers of sole proprietor/ directors / trustees / shareholders / members/ partners or any person having a controlling interest in the enterprise, in table below.

Full Name	Identity Number	Name of State institution

- 2.1.2 If the bidder or any of its directors/trustees/shareholders/members/partners or any person having a controlling interest in the enterprise are employed by the state, is there any approval to conduct business with the state, signed by the accounting officer/authority attached?
YES/NO or N/A

Please attach letter of approval signed by the Accounting Officer/ Accounting Authority.

Failure to submit proof of approval from the Accounting Officer/ Accounting Authority will lead to immediate rejection of the bid/quotation.

- 2.2 Do you, or any person connected with the bidder, have a relationship with any person who is employed by the procuring institution? **YES/NO**

- 2.2.1 If so, furnish particulars:

.....
.....

- 2.3 Does the bidder or any of its directors / trustees / shareholders / members / partners or any person having a controlling interest in the enterprise have any interest in any other related enterprise whether or not they are bidding for this contract?
YES/NO

- 2.3.1 If so, furnish particulars:

.....
.....

3 DECLARATION

I, the undersigned, (name)..... in submitting the accompanying bid, do hereby make the following statements that I certify to be true and complete in every respect:

- 3.1 I have read and I understand the contents of this disclosure;
3.2 I understand that the accompanying bid will be disqualified if this disclosure is found not to be true and complete in every respect;
3.3 The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However, communication between partners in a joint venture or consortium¹ will not be construed as collusive bidding.

¹ Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

- 3.4 In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications, prices, including methods, factors or formulas used to calculate prices, market allocation, the intention or decision to submit or not to submit the bid, bidding with the intention not to win the bid and conditions or delivery particulars of the products or services to which this bid invitation relates.
- 3.4 The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.
- 3.5 There have been no consultations, communications, agreements or arrangements made by the bidder with any official of the procuring institution in relation to this procurement process prior to and during the bidding process except to provide clarification on the bid submitted where so required by the institution; and the bidder was not involved in the drafting of the specifications or terms of reference for this bid.
- 3.6 I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.

I CERTIFY THAT THE INFORMATION FURNISHED IN PARAGRAPHS 1, 2 and 3 ABOVE IS CORRECT.

I ACCEPT THAT THE STATE MAY REJECT THE BID OR ACT AGAINST ME IN TERMS OF PARAGRAPH 6 OF PFMA SCM INSTRUCTION 03 OF 2021/22 ON PREVENTING AND COMBATING ABUSE IN THE SUPPLY CHAIN MANAGEMENT SYSTEM SHOULD THIS DECLARATION PROVE TO BE FALSE.

VISITOR GUIDE

EASTERN CAPE PROVINCIAL
NATURE RESERVES

Eastern Cape
PARKS & TOURISM AGENCY

A WARM WAZI WELCOME TO EASTERN CAPE PARKS PROVINCIAL NATURE RESERVES

The Eastern Cape is *Yours to Explore* and Wazi, representing the welcoming, friendly spirit of the people of the Eastern Cape, is your guide to exploring our magnificent provincial nature reserves - managed and protected for you by the Eastern Cape Parks and Tourism Agency.

Wazi indicates the main feature of each of the 16 provincial nature reserves showcased in this visitor guide. From camping and caravanning to wildlife safaris and birding, Eastern Cape provincial nature reserves offer something for everybody.

This visitor guide makes it easy for you to match your interests with the ideal nature reserve for you to explore. **Biodiversity & Heritage** reserves offer unique biodiversity features and recognised heritage sites - such as internationally acclaimed Baviaanskloof with its World Heritage Status. The **Game Management & Recreation** reserves provide additional recreational activities. The **Marine and Coastal** reserves feature fantastic stretches of coastline that make the Eastern Cape so unique and provide excellent viewing opportunities of whales and dolphin.

Book online at www.bookonline.ecpta.co.za
or contact our friendly Reservations Team
on +27 (0)43 492 0883/4.

WARNING

- DO NOT FEED baboons or monkeys.
- STAY IN VEHICLE at all times on self-drive game drives.
- Comply with all reserve rules.

See pages **66** to **67** for
information on
accommodation options
and amenities at reserves.

Please note: information in
this brochure may change
without notice.

BAVIAANSKLOOF

(WORLD HERITAGE SITE)

A UNESCO World Heritage Site as well as a Cape Floristic Region protected area, Baviaanskloof (Valley of the Baboons) is a magnificent mountain kingdom spanning 2 040km, boasting seven of South Africa's nine biomes - fynbos, forest, grassland, succulent Karoo, Nama-Karoo, subtropical thicket and savannah.

At the eastern entrance to the reserve is the World Heritage Site Interpretive Centre with dedicated displays that showcase the reserve. Guides are on hand to show visitors around the centre and explain all about the rich biodiversity, cultural heritage and natural wonders

that make Baviaanskloof one of the most spectacular regions in the country.

In addition to the scenic splendour of the region, Baviaanskloof is fast gaining recognition as one of South Africa's premier adventure destinations. Traversing this reserve by 4x4 or on mountain bike (permission and support vehicle required), up rugged mountain passes, through rivers and across the plateau, is an unforgettable true wilderness experience.

GATE TIMES

Summer: 06h00 - 16h00

Winter: 07h00 - 16h00

OFFICE HOURS

Mon to Fri: 08h00 - 16h30

Weekends: 08h00 - 16h00

RESERVE CONTACT DETAILS

Komdomo Office: 087 286 6494

Senior Reserve Manager: 079 496 7978

DIRECTIONS

Access from the east: Travel from the N2 to Patensie along the R331 and from Patensie to Komdomo on the R332 (27km).

Access from the west: Take N9 from George to Willowmore and from Willowmore to Coleske gate on the R332 (100km gravel).

DAY VISITOR FACILITIES

- Komdomo picnic area and bird trail
- World Heritage Interpretive Centre and picnic area
- Poortjies waterfall walk
- Combrink Pass lookout point
- Grasnek lookout point
- Smitskraal picnic area
- Bergplaas Plateau lookout

ACCOMMODATION

Baviaanskloof offers visitors the chance to embrace true wilderness, with campsites on the banks of the Groot River (Komdomo campsites) and in the Kouga Dam region (Doodsklip and Rooihoek campsites) - in close proximity to awesome deep river pools, ideal for swimming. Bergplaas Trail Hut is a rustic, self-catering hut with breathtaking views and is used as a basecamp for hikers. The magnificent Geelhoutbos Lodge offers comfortable accommodation in the most spectacular natural environment.

KOMDOMO CARAVAN & TENT CAMPSITE

(3-STAR): 27 sites with power point supply, ablutions & hot water (Groot River)

DOODSKLIP CAMPSITE: 5 sites

ROOIHOEK CAMPSITE: 6 sites (Kouga Dam region)

BERGPLAAS TRAIL HUT: 2 bedrooms with bunk beds, 1 bathroom - sleeps 12

GEELHOUTBOS LODGE (3-STAR): 4 bedrooms, 1 bathroom & en-suite shower with solar power - sleeps 10

(Please note: a special combination code is required for Doodsklip, Rooihoek and Bergplaas.)

PERMITS REQUIRED

Entrance & Activity permits (camping, day visit or drive through).

**RICH IN HISTORY,
WILDLIFE AND
NATURAL SPLENDOUR**

GREAT FISH RIVER

The Great Fish River has a rich and varied history, from the earliest movements of San hunter-gatherers in 300 A.D. to the Frontier Wars between settlers and Xhosas in the 19th century. This once was a place of conflict, the Great Fish River forming a boundary between settler and Xhosa territories, with a number of forts, signal towers, fortified farmsteads, barracks and graves - Fort Double Drift, Fort Wilshire and Knott Memorial Church. Memories of turmoil have been replaced by tranquility in this vast and spectacular reserve that stretches as far as the eye can see.

The 45 000ha reserve, including the Andries Vosloo Kudu Reserve, Double Drift Nature Reserve and Sam Knott Nature Reserve, is defined by significant plant biodiversity, ranging from sub-tropical thicket to savannah and grassland. It's a birder's paradise with 245 bird sightings. The Adam's Krantz viewpoint over the twisting Fish River canyon is one of the most iconic Eastern Cape vistas. Magnificent sunsets can be celebrated from a wooden deck perched on the cliff while the Double Drift picnic site alongside the river is the perfect spot for braais.

GATE TIMES 05h00 - 17h00 (All overnight visitors to make arrangements with reserve management for late entry)

OFFICE HOURS Mon to Fri: 08h00 - 16h30

GROENDAL

The 45 000ha Groendal wilderness area protects the water catchment of the Swartkops River (KwaZungha River) and forms part of the spectacular Baviaanskloof World Heritage Site. Although it is situated just 50km from central Port Elizabeth, it is characterised by unspoiled landscape including deep kloofs, gushing streams, ravines and crystal-clear pools. At the centre of the reserve is the tranquil Groendal Dam. Encompassed by the towering Groot Winterhoek Mountain Range, the reserve was first proclaimed a

wilderness area in 1976, making it one of the oldest protected areas in the Eastern Cape. Groendal is important to our cultural heritage, as the protected San rock-art in the area provides an invaluable record of the earliest inhabitants of this region.

Groendal is one of the most popular hiking destinations in the Nelson Mandela Bay area. The predominantly fynbos vegetation is home to a diverse range of bird and animal species.

GATE TIMES 07h30 - 21h00
OFFICE HOURS Mon to Fri: 08h00 - 16h30
Weekends: 08h00 - 16h00 (public holidays)

RESERVE CONTACT DETAILS

Groendal Office: 087 086 2499
Reserve Manager: 071 609 1383
Section Ranger (alternative): 073 378 4324

DIRECTIONS

From Uitenhage, take Durban Street and turn left to Cuyler Street, pass Swartkops River bridge and turn right to Kruiservier Road. Continue with the gravel road until low water bridge is passed. At the T-junction turn left and drive straight through Hebron Quarries until you reach the Groendal gate control.

ACCOMMODATION

The Groendal Camp has eight sites with beautiful views of the Groot Winterhoek mountains. There is also Rooikrans Lodge for those who prefer a more comfortable sleep!

- **ROOIKRANS LODGE (3-STAR):** 3 bedrooms - sleeps 6
- **ROOIKRANS CAMPSITES (3-STAR):** 8 sites

ISLAND

480ha of indigenous Alexandria coastal forest, where ancient Outeniqua yellowwoods, hard pear trees and white milkwoods create a wonderful 'enchanted wood'. This forest was once referred to as an 'island' of verdant nature surrounded by a sea of development - giving the reserve its name. The central part of the reserve is a popular picnic site, with spacious braai facilities, wooden tables and seating. Expect to rub shoulders with a sizeable population of vervet monkeys, who share their lush surroundings with bushbuck, bush pigs and numerous colourful bird species. The exquisite coastal forest is also perfect for long walks, mountain biking, birding and game viewing.

A NATURAL HAVEN

THOMAS BAINES

Just 12km outside Makhanda, Thomas Baines Nature Reserve is an ideal destination for those wanting to explore the rich historical, cultural and geological history of South Africa's famed Frontier Country. Originally established as a municipal nature reserve in 1961, it was declared a provincial nature reserve in 1980. The reserve comprises a number of farms bordering and incorporating Howison's Poort Reservoir and Settlers Dam - both important water sources for Makhanda.

The 1 000ha reserve teems with birdlife, and the 15kms of dirt tracks make for excellent game drives, nature walks and mountain biking. Look out for eland, zebra, red hartebeest, warthogs and monkeys as you negotiate the reserve's lush fynbos and Albany thicket landscapes. Scenic but basic, non-powered campsites on the banks of Settlers Dam offer a rustic charm, in close proximity to excellent fishing, sailing and hiking sites.

The reserve is named after the famous 19th century artist, who left a valuable record of the rich diversity of flora and fauna in the region, including the now extinct Quagga.

WATERS MEETING

Waters Meeting Nature Reserve was originally established as a forest reserve in 1897 and was declared a nature reserve in 1952 and 1985, and consist of two discontinuous reserves situated on the Kowie River in the vicinity of Bathurst namely Waters Meeting I (198ha) and Waters Meeting II (3 261ha). Sarel Hayward Dam supply water for Port Alfred, Ndlambe Municipality.

Salt water from the sea and fresh water from Kowie River meet at the ebb and flow near the picnic site, hence the name waters meeting.

RESERVE CONTACT DETAILS

Reception: 087 286 6540/6541/6543
Reserve Manager: 079 496 7979
Section Ranger: 076 423 3492

EMERGENCY NUMBERS

Port Alfred Fire Brigade: 046 624 1140
Port Alfred Hospital: 046 604 4000

DIRECTIONS: Waters Meeting is situated in Ndlambe Municipality, north west of Bathurst which is located between Makhanda and Port Alfred on the R67.

From R72 take R67 main road to Bathurst from Port Alfred. Turn left onto first left gravel road after passing Bathurst Police Station. Follow the signs to Nature Reserve (about 6km).

From N2 take the left off-ramp onto R67 to Port Alfred, continue straight at Pig and Whistle/Bathurst Arms interchange, pass the Bradshaw's mill and follow the signs to Nature Reserve (about 5km)

**WATER SPORTS & THE
GREAT OUTDOORS**

COMMANDO DRIFT

Roughly 60km from Cradock, in the heart of Eastern Cape hinterland, lies the Commando Drift Nature Reserve with its central geographical feature, the impressive Commando Drift Dam. Fed by four rivers, the dam ensures an abundance of wildlife, including the endangered mountain zebra. Among the most striking features of the reserve is a series of spectacular dolerite and sandstone cliffs, as well as numerous popular hiking and off-road trails, including the Bushman and Endurance hiking trails and Palingkloof jeep track.

A great biking destination, the mountain bike trail has a circular route and a number of alternative trails. It is fairly easy, but includes some challenging hills, rocky terrain and a few devil thorns!

The reserve offers scenic chalets, campsites and direct lake access, making this a great option for the avid fisherman. Snow has been recorded in the surrounding mountains in winter months, so be prepared for cold!

RESERVE CONTACT DETAILS

TEL: 087 286 6404

OFFICE HOURS 08h00 - 16h30

GATE TIMES Summer: 06h00 - 19h00
Winter: 07h00 - 18h00

EMERGENCY NUMBERS

Police: 10111
Emergency Services: 10177
Cradock Hospital: 048 881 2123

DIRECTIONS

Commando Drift is roughly 60km north of Cradock on the road to Tarkastad.

GAME MANAGEMENT & RECREATION

ACCOMMODATION

Lake View Chalet and the Fish Eagle Cabins are comfortable self-catering establishments, with lovely views of the lake and all the basic facilities one needs.

The campsite is grassed and well maintained with excellent access to the dam.

DAY VISITOR FACILITIES

- Picnic area
- Braai facilities
- Fishing

- **LAKE VIEW CHALET:** 1 bathroom - sleeps 4
- **FISH EAGLE CABINS:** 3 basic, electrified stone cabins with ablution facility
- **CAMPSITE:** 2 caravan sites (electrified) and 6 tent sites - with ablution facilities

MOUNTAIN BIKE TRAIL & FABULOUS FISHING

PERMITS REQUIRED

Threatened or Protected Species (TOPS) permit, Hunting permit, Fishing permit (available at reserve office)

AWESOME
CAMPING EXPERIENCE

DOUBLE MOUTH & CAPE MORGAN CONFERENCE CENTRE

Nestled alongside the popular holiday town of Morgan Bay, just 50 minutes' drive from East London, Double Mouth Nature Reserve is one of the Eastern Cape's premier coastal camping destinations. Thirty beautiful camp and caravan sites enjoy spectacular sea views and easy access to both the beach and the Quko River Mouth, making this the ideal camp for fishing and water sport enthusiasts. The adjacent estuary and lush forested dunes are home to a large number of bird species, while small game such as bushbuck, blue duiker, mongoose and vervet monkeys are frequent campsite visitors.

Remnants from the shipwreck - Santo Espiritu that ran aground in 1608 just off Black Rock between Haga-Haga - 'money cowries' (cowrie shells used as money to buy goods), carnelian beads (red in colour and were mined in India over a century ago) and Chinese blue and white Ming porcelain shards can be found in the shingle and sand at what has become known as 'Bead Beach', between Black Rock and the Quko River at Double Mouth.

The Cape Morgan Conference Centre is a multi-purpose conference venue with state of the art conferencing facilities and catering services.

EMERGENCY NUMBERS

Paramedic: 043 726 2247

Police: 10111

Fire Rescue: 043 841 1084

DIRECTIONS

Drive 35 km from East London on the N2 in the direction of Durban. Turn right down the R349 to Morgan Bay (40km). Double Mouth is just 5km south of Morgan Bay along Beach Road.

ACCOMMODATION

Double Mouth is an incredible secluded campsite, set among the trees overlooking a beautiful stretch of the Wild Coast. The campsite is laid out in a perfect semi-circle, protected on all sides by forest, with a communal ablution block, individual braai facilities and electricity points for each of the 30 sites. A lush, grassy field offers a lovely place for kids to play and families to picnic, and just beyond that is the beach cove, where rock pools abound and waves roll up the pebbly beach.

**RICH IN HISTORY
& NATURAL WONDERS**

MPOFU – FORT FORDYCE

Covering +/-15 000ha, the reserve is situated 25km northwest of Fort Beaufort, on the escarpment and lower valleys of the Amathole catchment, with magnificent views of the Katberg and Amathole Mountains. Comprising Mpoфу, Fort Fordyce and Bosnek, the reserve is of great cultural and historical significance, with incredible San rock-art and sites of the 8th Frontier War. The remnants of two forts built during the Frontier Wars can be seen on the high ground of Horseshoe Valley. Both became known as Fort Fordyce, after Lieutenant Colonel John Fordyce who was shot and killed by Xhosa warriors during the attack in 1851 on Chief Maqoma - the most renowned Xhosa chief of the Frontier Wars. Fullers Hoek is a kloof with huge caves used by Maqoma and his followers as a hide out.

The indigenous forest hosts amongst the most diverse and richest species in southern Africa and the reserve serves as an excellent birding destination. Bass fishing is a popular activity as is rock climbing - Fort Fordyce features ten bolted routes with names like the Fever Ward, the Labour Ward and the More Mojo Sector.

RESERVE CONTACT DETAILS

WHERE ADVENTURE
BEGINS

ONGELUKSNEK

The Ongeluksnek area was so named in about 1860 after one of the trekkers in the Griqua trek to 'Nomansland' died from a gunshot wound. The reserve forms part of the Maloti Drakensberg Transfrontier Park (MDTP) and is renowned for its natural beauty, verdant wetlands and perilous mountain pass. Much of the reserve is covered with east Griqualand grassland, with lush wetlands at Lake Letsie in the north, bordering Lesotho. Unique features include a spectacular waterfall and a vulture 'restaurant' where the rare bearded vulture can be spotted.

This reserve is a hiker's paradise – with trails to suit all levels of competence. There are a number of marked trails, ranging from 1km to 12km in distance, as well as longer trails that require a good contour map and experienced mountaineers. Enthusiastic birders are in for a treat with some 241 different bird species found in the area.

The rugged Ongeluksnek pass (which traverses the length of the reserve) is strictly for off road vehicles and has humbled many fearless travellers! The track is usually rutted, muddy and quite difficult to negotiate, but the challenge offers great rewards.

In the 1970s four San rock-art sites were recorded in the vicinity of the Mariazell Mission Station. The Natal Museum revisited and confirmed these sites in 2005.

RESERVE CONTACT DETAILS

Reserve Manager: 079 496 7954

Hospitality Supervisor: 082 056 1500

Office: 087 086 2503 | 039 492 0076

DIRECTIONS

From Matatiele, head west along tarred R56 for 10km. Turn right onto a gravel road. Continue heading in a westerly direction for 35km. You will have a good view of the beautiful church and buildings of the Mariazell Mission station. Carry on for a further 5km to the entrance gate of the Ongeluksnek Nature Reserve.

ACCOMMODATION

Gateway Lodge is a beautiful sandstone farmhouse located at the entrance to the reserve. It was built in the 1920s and provides rustic accommodation with wonderful views of the surrounding mountains. The lodge is self-catering. Two small rondavels are also available.

- **GATEWAY LODGE:** 3 bedrooms, 1 bathroom - sleeps 10
- **RONDAVELS (2):** 1 with 2 single beds, 1 with one double bed - sleeps 2

WATER & WILDERNESS
GETAWAY

OVISTON

Initially established to preserve the False Upper Karoo vegetation and to support a breeding programme for buck, the 16 000ha reserve is one of the Eastern Cape's best-kept secrets. It is a secluded, peaceful reserve situated on the southern shores of the Gariep Dam – South Africa's largest standing body of fresh water. A visit to the quiet waterside village of Oviston in the Little Karoo is well worthwhile – spend afternoons fishing and boating on the dam, and enjoy a self-drive game drive through this awesome reserve. The Karoo climate is characterised by blazing hot days, followed by cool evenings and extraordinary sunsets. The landscape of wide-open grasslands, little 'koppies' and deep blue skies is a photographer's dream.

Gariep Dam is perfect for watersports, boating and swimming and is an excellent fishing destination. Anglers can hope to land largemouth yellowfish, Orange River mudfish, moggel and sharptooth catfish. The highlight of a day at the reserve is a sunset cruise on the peaceful dam.

DIRECTIONS From Venterstad's main street, take the Oviston turn off. Proceed straight along the tar road until you reach the main gate. About 2 km from the main gate turn right to Oviston and at about 5 km arrive at Oviston Nature Reserve office.

ACCOMMODATION

Komweer Lodge is a beautiful old farmhouse and Apies Bay Cabin is a rustic stone cabin with a thatched roof, in close proximity to the Gariep Dam. Ihodi Campsite is available for those who travel with tents and caravans. The name is derived from the Xhosa word ihodi, meaning aardvark, referring to the tenacious animal found in the area.

- **KOMWEER LODGE (3-STAR):** 4 bedrooms, 3 bathrooms - sleeps 12
- **APIES BAY CABIN:** 2 bedrooms, outside bathroom - sleeps 4
- **IHODI CAMPSITE (3-STAR):** 2 wilderness sites with ablution facility - sleeps 4 each

TSOLWANA

8 500ha in extent and marking the beginning of the Karoo plains, Tsolwana is situated on the northern slopes of the commanding Winterberg mountain. The landscape is strikingly beautiful. Tsolwana, the Xhosa word for spike, refers to a conical shaped hill within the reserve.

Game viewing and birding are major attractions at Tsolwana. The mountainous slopes, grassy plains and acacia thornveld support abundant wildlife and 241 different bird species. Tsolwana's experienced rangers are available to take visitors on self-drive game drives, combining 4x4 adventure with wildlife viewing opportunities. Guided game walks are also offered. The hiking trails, following game tracks and gravel roads, vary in length from a couple of hours to a two-day overnight trail in the western part of the reserve.

The climate can be extreme, with greatly varying temperatures and unpredictable heavy summer rainstorms with hail. In winter, snow falls frequently - so be prepared!

- Braai facilities
- Picnic sites
- Conference centre
- Boma facility

ACCOMMODATION

Tsolwana has three luxury lodges to cater for different tastes and party sizes. All of them are fully equipped and self-catering. Tibet Park Lodge is located near to the conference facility and the office and staff facilities, but is far away enough to enjoy the spacious luxury that this old homestead offers. The Lodge also has two flatlets. Otterford Lodge is a beautiful old farmhouse, situated in a secluded, shady and cool spot in the reserve. It's an inviting venue for larger families, surrounded by mountains in one of the country's most beautiful nature areas. Indwe Lodge is the smallest of the lodges. Situated a distance from the others, it also has a secluded atmosphere in a beautiful setting with views of the Winterberg mountains that surround it.

- **OTTERFORD LODGE:** 5 bedrooms, 2 bathrooms - sleeps 8
- **INDWE LODGE:** 4 bedrooms, 2 bathrooms - sleeps 8
- **TIBET PARK LODGE:** Fully equipped, 2 en-suite bedrooms, 3 bedrooms and 2 bathrooms - sleeps 10
- **TIBET PARK LODGE FLATLETS (2):** en-suite bedroom - sleeps 2

**A HAVEN FOR
BIODIVERSITY**

DWESA - CWEBE

Straddling the impressive, 140km Mbhashe River on the Wild Coast, the Dwesa and Cwebe Nature Reserves are situated in one of the Eastern Cape's most unspoilt coastal conservation areas. Birdlife at these reserves is truly incredible. More than 200 terrestrial and coastal species have been recorded including the globally threatened spotted ground thrush, which breeds here. The coastal mangroves hold the only protected breeding population of mangrove kingfisher in South Africa. Featuring a range of low-, medium- and high-impact hiking trails through thick coastal forest, this is the ideal setting for visitors wanting to get back to nature.

While similar in vegetation, the two reserves nonetheless have individual identities. Dwesa, the larger of the two, features a bigger variety of game, while Cwebe boasts a more diverse habitat, from forest and grassland to lush mangroves. Situated on the edge of a tranquil lagoon, seven exquisite timber chalets are hidden deep in the trees. A short walk through the dune forest reveals a perfect, unspoiled shelly beach with fascinating rock pools. The campsite is sheltered by the forest and bluff.

Spectacular views from Kobole Point and of the nearby waterfall are definite highlights.

DIRECTIONS

Idutywa to Willowvale 30km
Willowvale to Dwesa Nature Reserve 48km
(gravel road)

EMERGENCY NUMBERS

Police Station: 047 576 9296
Madwaleni Hospital: 047 564 1207

ACCOMMODATION

These timber chalets are situated on the edge of a tranquil lagoon - hidden deep in the trees. A short walk through a dune forest reveals a perfect, unspoiled shelly beach with pristine rock pools. The campsite is sheltered by the forest and bluff, with a communal ablution block offering steaming hot showers.

- **TWO-SLEEPER CHALETs (3):** 2 single beds and a shower each - sleeps 2 per chalet
 - **FOUR-SLEEPER CHALETs (3):** 2 bedrooms and 1 bathroom each - sleeps 4 per chalet
 - **FOREST HOUSE:** sleeps 4
 - **DWESA CAMPSITE:** 40 sites with ablution facility and bush showers - sleeps 6 per site
- All accommodation is 3-star rated.
No accommodation or campsite at Cwebe Section.*

DAY VISITOR FACILITIES

- Braai facilities

O'BELLS SHIPWRECK SITE

The O'Bell ran aground in the early 1900s. Scant information has survived, but it is suggested the vessel was en route to Maputo (then Lorenzo Marques) when she floundered off the Dwesa coast in rough seas. Fortunately all aboard survived and made it safely to land.

PERMITS REQUIRED

- Entry permit
- Fishing permit (subsistence and recreational-catch and release fishing is allowed)
- Cycling, birding and hiking permit
- Transport permit (for hunting clients)
- Hunting permit and hunting license (for hunting clients)
- Threatened or Protected Species (TOPS) permit for the hunting of African buffalo

A COASTAL PARADISE

HLULEKA

Hluleka is a 772ha coastal paradise. From the top of the grassy hill at the entrance to Hluleka, an incredible panoramic view along the coastline sets the scene for a perfect getaway with coves, white sandy beaches lined with palms, and magnificent indigenous coastal forest. Hluleka is an excellent birding destination and sightings of dolphins and whales add to the joy of the wildlife wonder that Hluleka offers.

The accommodation at Hluleka is superb - seven chalets with exquisite views situated on a small hilltop covered in old indigenous trees, striking orange strelitzias and grassy areas where Burchell's zebra roam and graze.

GPS COORDINATES

31°49'16.1"S | 29°17'55.3"E

DIRECTIONS

Take the R61 (Port St Johns Road) and turn right onto the Hluleka Nature Reserve gravel road, which continues for 47km until the entrance.

LUCHABA

The charming 460ha Luchaba Nature Reserve is made up of a series of wetlands and grasslands and is home to a variety of wildlife. The reserve is adjacent to the Mthatha Dam and is managed together with the Nduli Nature Reserve, which lies on land owned by King Sabata Dalindyebo. The landscape is made up of dolerite dykes, rocky outcrops, shale and sandstone, as well as regions of highland sourveld. This Mthatha Moist Grassland biome supports a variety of wildlife.

Two conference halls make up a beautiful conference centre for 150 guests. The restaurant, catering for 136 guests, looks out over the dam. A marquee is also available for 600 guests.

**WONDERFUL
WATERFALLS
& GOLDEN GRASSLANDS**

MKHAMBATHI

The reserve, comprising 7 720ha including coastal land, is situated on the coast of northeastern Pondoland, between Port Edward and Port St Johns. The Mkhambathi River makes its way through the reserve, over a series of cliffs forming breathtaking waterfalls (Horseshoe Falls, Strandloper Falls and Mkhambathi Falls) and a series of pools, before tumbling into the Indian Ocean. Other attractions include a secluded cave in the forest, +/-100m up river from the coast, the spectacular Misty Falls, Four Falls and the Mtentu and Msikaba River gorges where endangered Cape vultures can often be seen circling high above. The Gwe Gwe River and lagoon nearby is ideal for fishing and swimming. Mkhambathi is the perfect place for adventurous travellers.

Mkhambathi has a diverse natural habitat – ranging from grasslands and wetlands, dune forests and swamps to indigenous forests. It is part of the Pondoland Centre of Endemism – one of 235 sites identified worldwide as having important biodiversity and ecology. Mkhambathi is an International Bird Area and also offers great game viewing opportunities.

The accommodation is rustic, offering visitors a real chance to experience true African wilderness.

DIRECTIONS

From Flagstaff, travel the R61 for 70km to Mkhambathi Nature Reserve on the Holy Cross Hospital Road.

EMERGENCY NUMBERS

Mthontsasa Police Station: 039 252 2031/3131
Holy Cross Hospital: 039 252 3000/1/2047

Mkhambathi was once a leper colony, before being proclaimed a nature reserve in 1977. Today it is co-managed by the ECPTA and the Mkhambathi Land Trust - a partnership resulting from a settlement agreement through the land restitution process. The local community benefits from the recreational use of the land and protection of its precious resources.

ACCOMMODATION

The fully equipped accommodation is rustic and offers visitors a real chance to experience the African wilderness. The Gwe Gwe River and lagoon nearby is ideal for fishing and swimming. Up river is Main Lodge, a beautiful large sandstone lodge, fully equipped, with a swimming pool to relax at after a day of exploring the bush and beach. All accommodation is self-catering.

- **MAIN LODGE (3-STAR):** Fully equipped, self catering, 5 en-suite bedrooms with bath & shower and swimming pool - sleeps 10
- **STONE COTTAGE (2):** Fully equipped, self catering, 3 bedrooms - sleeps 6.

**SPECTACULAR

A PRISTINE BAY

SILAKA

400ha of unspoiled wilderness, Silaka is an idyllic coastal reserve, seven kilometres south of Port St Johns. Silaka stretches from Second Beach to Sugarloaf Rock and up the valley where lush green indigenous forests cover the hills.

The pristine beach is perfect for fishing and swimming. Hiking trails lead up onto the bluff, affording incredible views of the coastline. The Gxwaleni River flows through the valley, trickling through a wetland and forming a small lagoon before entering the sea. Bird Rock stands like a sentinel in the middle of the bay. This rocky outcrop is the perfect perch for white-breasted cormorant and other sea birds. Silaka is an excellent birding destination and a haven for many species of wildlife.

EMERGENCY NUMBERS

Police: 10111 | 074 564 1189
PSJ Health Centre: 047 564 1255

DIRECTIONS

From Port St Johns, continue past Second Beach onto the gravel road, which leads to the Reserve.

ACCOMMODATION

Seventeen rustic thatched chalets spread across the forested hillside, some with magnificent views overlooking the bay. All accommodation is self-catering. A conference venue is available for 40 people.

- **4 SLEEPER CHALETs (15):** - 2 bedrooms, 1 bathroom - each sleeps 4
- **2 SLEEPER CHALETs (2):** - 1 bedroom, 1 bathroom - each sleeps 2

All accommodation is 4-star rated.

TERMS & CONDITIONS

1. Damage/Loss/Death

It is a distinct condition of admission to any protected area that the ECPTA accepts no responsibility arising from a visit(s) however caused:

- For any death, injury or illness sustained or suffered by any person.
- For theft/loss/damage to any property, whether allegedly due to the negligence of the board/officers/ employees/agents or arising from the use of any facilities supplied/ made available.
- From any alleged defect in any utensil/equipment/services.
- From any other conveyance supplied/made available, or from any liquid/food supplied.
- From any other matter arising, in any other manner and from any other cause whatsoever.

2. Disclaimer of Liability

ECPTA, its Directors and employees shall not be liable to any person or any legal entity for:

- Any loss or damages caused by or as a result of any theft or burglary or any other cause and/or
- Any incident, injury, loss of life, loss or damage whether by ECPTA, its Directors or its employees, consequential or otherwise caused to such person or entity from whatever cause arising while upon or while using the said premises or any portion thereof however such accident, delay, injury, loss of life or loss or damage may arise occasionally as a result of negligence or breach of contract.

3. Booking Fees

- The ECPTA reserves the right of admission to all its facilities. ECPTA only confirms a booking on receipt of full payment by the deadline date (within 14 days of making booking or prior to arrival, whichever is the lesser) as specified on the provisional booking.
- It is the client's responsibility to ensure that full payment is made before the specified date on provisional booking to avoid automatic cancellation, as the ECPTA cannot be held responsible for this.
- ECPTA reserves the right to cancel the booking if no or only partial payment is received, or should the payment be referenced incorrectly.

Any money paid will be kept as credit for the customer for another 14 day period after the cancellation of the booking for the above mentioned reason, after which the money will be forfeited and automatically become an administration fee.

- No EFT/Direct Debits are accepted for online bookings

4. Online Bookings

- All new reservations made online will require immediate and full payment by credit card. If this is not possible, please use one of the alternative booking methods.
- The available information is real-time updated (unless interrupted by technical difficulties) between our reservation system and the website. As ECPTA accepts reservations on a first-come-first-served basis we cannot guarantee that accommodation clients saw as available online will still be available by the time a reservation is attempted.
- Online payments are processed in South African Rand. All transactions, including refunds, are calculated at the current exchange rates.
- All online reservations may receive a discount on bookings for accommodation and camping, unless specific promotional or seasonal discounts advertised explicitly as being available to online reservations, are announced, in which case the latter will apply at the discretion of ECPTA.
- The reservation is only guaranteed once you've received a confirmation email from ECPTA reservations
- Our online reservations system makes use of, and requires, JavaScript and Cookie technologies.

5. Cancelling

- Cancellation of a reservation made could result in cancellation fees. These are calculated on the total value of the reservation that was cancelled.
- Cancellation greater than 45 days prior to arrival is 10% of total booking.
- Cancellation within 30-44 days prior to arrival is 25% of total booking.
- Cancellation within 15-29 days prior to arrival is 50% of the total booking.

- Cancellation within 14 days or less prior to the arrival is 100% of the total booking.

- If the arrival date of the itinerary is postponed prior to or on date of arrival and then cancelled at a later stage, the fees that applied at the time of amendment will be enforced if the amount is greater than the new cancellation fees.
- Guests who consider postponing a reservation (at same or higher cost and subject to availability) as alternative to cancellation, will be required to pay in the difference should reservation cost increase as a result. If reservation cost decreases the booking will be subject to the rules that apply for downgrading a reservation. Note that any subsequent cancellation or downgrading will consider the initial reservation arrival date to calculate modification or cancellation charges.
- Should ECPTA cancel the booking due to any unforeseen reason, the guests have the option to reschedule or receive a full refund.
- All cancelling must be done in writing by clients if booking has been paid.

6. Booking Credit

- Booking credits are valid on the system only for a period of a year starting from the arrival date. Credits not utilised within a period of a year are forfeited.
- Credit that has been kept on the system within a period of a year can only be utilised for making bookings only and cannot be transferred to cash refund.
- When making a booking utilising credit, it will be subject to availability, rates applicable at the time of booking and any other charges as deemed necessary by ECPTA.

7. No Show

- Should the reservation not be taken up on the arrival date the accommodation will be held until 09:00 am the following day after which the reservation will be cancelled and any monies paid will be forfeited.
- No correspondence will be entered into after the above has taken effect and ECPTA's decision is final.

8. Booking Adjustments

- Any adjustments of confirmed bookings that result in price increase or do not affect the price, will be dealt with on a case by case basis subject to availability and the impact on the nature reserve. Any additional monies owed must be settled in full by due date as stated on the Provisional bookings.
- If the arrival date of itinerary is postponed prior to or on the date of the arrival and cancelled at a later stage, the fees that applied at the time of amendment will be enforced if the amount is greater than the new cancellation fees.
- Guest may consider postponing a reservation (at same or higher cost subject to availability) as an alternative to cancellation. Guest will be required to pay in the difference should the reservation cost increase as a result and if the reservation cost decreases the booking will be subject to the rules of modification that applied.

9. Booking Fees & Cancellation of Provisional Bookings

- Right of admission is reserved.
- All bookings are made on a first come first serve basis and no exceptions will be made.
- ECPTA accepts bookings up to a full financial year (from April this year to March next year, with bookings opening for the following year in February).
- ECPTA only confirms a booking on receipt of full payment reflecting on ECPTA bank statement by the deadline date as specified on the provisional booking. Failure to make full payment by the due date will result in bookings being cancelled and any monies received held as credit.
- It remains the client's responsibility to ensure that full payment is received by the reservation office BEFORE THE FINAL PAYMENT DUE DATE.
- ECPTA reserves the right to cancel the booking without prior notification if only partial payment is received or the payment is referenced incorrectly and results in the payment not being able to allocate the payment to the booking resulting in a system cancellation of the booking. Any money paid by that date will be forfeited and be deemed an ECPTA donation.

10. Rescheduling

- The following conditions apply to any rescheduled booking:
- Bookings rescheduled will be subject to a 25% of the total booking as an administration fee. The total booking fee plus the administration fee must be paid in full before access to the reserve is granted.
 - Bookings may only be rescheduled twice.
 - Rescheduling of bookings must be made within 12 months of the original arrival date or money paid will be forfeited.
 - When rescheduling, the monetary value of the cancelled booking will go as credit against the new booking (not the quantity of days booked.)
 - Bookings cannot be rescheduled should guests choose to leave earlier than expected due to illness, emergencies, Force Majeure or change of plans.
 - All rescheduling must be done in writing by clients if booking has been paid.

11. Refund Process

- The client is required to send a letter requesting a refund to reservation office.
- All refunds can only be processed provided the refund meets the criteria as stipulated by the terms and conditions of ECPTA.
- Approved refunds will be fully processed within a period of approximately 21 working days, excluding weekends and holidays, from approval.
- Bookings cannot be rescheduled or refunded should guests choose to leave earlier or arrive later than expected date, due to illness, emergencies, change of plans, late arrivals or natural disaster etc.
- Should ECPTA inconvenience a client, a refund may be considered.
- Should ECPTA cancel a confirmed booking for any reasons then the guest has the option to either change the booking to another ECPTA reserve (subject availability) or receive a full refund.

- ECPTA will not contend with any rescheduling or cancellation requests as a result of unpleasant weather conditions - this is out of the ECPTA's control. Should the ECPTA be advised by its reserve staff that conditions are unsafe for visitors, then and in such event the ECPTA will contact the affected clients and offer alternative arrangements.

12. Visitors

- All visitors to the reserve are required to pay a daily conservation fee when entering the reserve. These conservation fees vary from reserve to reserve and are applicable to both day and overnight guests.
- No bookings will be confirmed until all the monies have been paid (conservation fee, activities, camping and accommodation).

13. Discount

- South African senior citizens aged 60 years and above who would like to make use of specially reduced pensioner senior citizen rates, should produce South African Identity Document or SASSA Card upon making a booking and must use one of the alternative booking methods to make or amend their reservation.
- Only bookings in a provisional status will be eligible for a discount.
- It is the sole responsibility of the visitor/s to apply for the discount if eligible - ECPTA or its staff cannot be held responsible for clients stating they did not receive the discount or were not made aware of the discount.

Disclaimer of Information Accuracy

While the Information is considered to be true and correct at the time of publication, changes after the time of publication may impact the accuracy of the Information. The Information may change without notice and ECPTA is not to be held liable for the accuracy of any information printed and or in any way interpreted and used by a user.

Tariffs

ECPTA tariffs are subjected to change without prior notice.

RESERVE RULES & REGULATIONS & OTHER USEFUL INFORMATION

ECPTA reserves the right to deny access or to evict guests who do not adhere to the rules and regulations of the ECPTA and/or its reserves. Money paid will be forfeited. These rules include, but are not limited to the following:

- No pets allowed on all nature reserves (except registered guide dogs).
- ECPTA does not recommend booking different accommodation types in the same camp over consecutive dates as this creates problems. Guests who decide to book different accommodation types in the same camp over consecutive dates must understand that they would need to move from one unit to another and they must take note of check in and check out times, which will apply.
- No collection of bait, removing, damaging or disturbing of fauna & flora.
- No rowdy and unbecoming behaviour.
- Gate times must be strictly adhered to and travelling inside the ECPTA nature reserves outside of these hours is not allowed.
- Overnight visitors are only to stay at a booked overnight facilities and must report to reception before occupying accommodation / camping site.
- Check in time is 14:00, check out time is 10:00.
- The feeding or disturbing of animals is considered to be a serious offence.
- Tariff prices do not include meals, however meals are included at certain parks at an additional cost.
- Adult is 12 years and above.
- Child (2-11 years), under 2 years Gratis.
- All tariffs are in South African Rand. Tariffs are subject to alteration without advance notification.
- No exceeding the specified number of persons per booking.
- No unsealed firearms permitted on nature reserves.
- No motorbikes, quad bikes, motorised watercraft of any nature are allowed off public roads in all the nature reserves.
- Camping or overnight stays are only permitted in designated areas.
- Visitors are only permitted on marked tourists routes and roads. No off-road driving is permitted.
- Day visitors must be out of the nature reserve by sunset or 18h00, whichever is the earliest.
- Picnics, swimming, fishing and fires may only be undertaken in designated areas.
- Entrance to nature reserves may only be made with the appropriate entry permit and payment of prescribed fees.
- South African residents 60 years and over are granted a discount of 20% on accommodation tariffs during off-peak season, for bookings that are 3 nights or more. This discount excludes trails and overnight hiking. South African residents qualify for the above discount on presentation of identification and proof of age for pensioners, failing which, full rates will be charged.
- Thomas Baines offers a student rate, however, to qualify for the applicable students must provide a valid student card for authenticating purposes.
- Normal road and traffic regulations are applicable in all nature reserves.
- Consult our Reservation Staff for details for out of season discounts and promotions.
- The Conservation Fees are applicable to Day & Overnight Visitors.
- Peak Season is defined as all South African school holidays, Easter and long weekends (public holiday on a Friday or Monday).
- Off-peak Season is defined as the period excluding those defined as Peak Season.
- No refunds will be considered should visitors experience bad weather as weather conditions are out of our control.
- Campsite and Accommodation numbers are to be strictly adhered to, as reflected on bookings.
- All activities at applicable nature reserves are undertaken at client's own risk.
