

BID ADDENDUM NOTICE**BID NO: 11/FY/26****MAINTENANCE AND REHABILITATION OF THE 15 KM INTERNAL ACCESS AND MANAGEMENT ROADS AT MPOFU NATURE RESERVE.**

The above tender was advertised on the ECPTA website, E-tender Portal and Treasury on the **19th of September 2025**. Bidders are hereby advised the closing date for this bid is the **21 October 2025**.

The scope of works will entail but not limited to the following:

- Clearing and shaping of existing earth drains including mitre drains.
- Grading and shaping of existing gravel roads with a total of approximately **12km on section 2**. (Refer to the attached map)
- Re-graveling with 150mm thick gravel wearing course sections on a **3km stretch from section 1** (Refer to the attached map)
- Hauling of gravel material from borrow areas and/or commercial sources. **The borrow pit is situated approximately 2km from the reserve**
- Construction and/or repair of culvert structures.
- Cleaning out of existing hydraulic structures.
- Repairing of existing drainage inlet and outlet structures.
- Construction and/or repair of stone pitching at inlet and outlet structures.
- Installation and/or repair of gabion boxes and mattresses.
- Installation of road signs.
- Quality control and assurance.

The proposed works should take into consideration the space limitation in a protected area environment and where possible and use of existing infrastructure.
